Baseball is enjoyed by both young and old. Experience, strength, and ability are essential for a good team. Having these qualities, along with several of the key players of last year's County Championship Team, should enable the club to again keep up the tradition of winning, as teams of the past have done.

The Spirit of a school can be reflected in its Athletic Clubs. Basketball is a great builder of body, mind and spirit. Here, lessons are learned in physical coordination, mental alertness, and good sportsmanship.

Self Control practiced in training and in playing the game, will be a virtue that will carry over into life in years to come.

Our team this year followed the pattern of recent years, in that they had a good show of winning games. The same pattern was followed in sportsmanship and good conduct.

Congratulations are in order for the twelve hard-working Bluebirds of 1959-60.

Front row: Simpson, H. Bledsoe, D. Snow, L. Johnson, Harbour, J. Snow. Back row: Whitaker, Chilton, G. Bledsoe, G. Johnson, Burrus, Coach Bledsoe.
